That's exactly where Taborah takes you with her new EP, A Piece of Me. Taborah's voice is notably recognizable in the dance music industry as she has been writing hits for many years and is no stranger to US and International radio and Billboard dance charts. With such songs as; I Am (the rising), All I Gave To You, Ride on the Rhythm, My Love For You and many others, she has established herself as a dance diva. But Taborah is a songwriter with a passion for all music and just like her life her music holds no barriers. Committed to her dance roots, Taborah delivers two dance tracks to this seven song EP. You Gotta Go Cause Im Through With You, remixed by an up and coming producer from the UK named Reflex, is a unique combination of a ballad atop an intense dance melody-not your typical dance song. Its relaxable, danceable and very hypnotic. Just One Night, produced by Jason Still, delivers heavy beats, funky guitar riffs, a great hook as well as Taborah's signature power vocals. This song will prove to become a dance floor favorite. Her love of jazz, rhythm and blues find themselves in Keep It Real, produced by Darren Noble. The smooth rhythm, gentle horn and sultry vocals might remind you of a Sara Vaughn tune, but listen closely because the lyrics are in no way as silky as the deliverance. I Cant Sleep, written and produced by Karen De Rosa is a passionate song of love. Taborah's delivery is effortless. The music is simple and unfussy. The results a timeless piece that you'll find yourself humming over and over again. A Piece of Me also includes the a cappella of You Gotta Go Cause Im Through With You, an extended mix and a praise song called Give Thanks. A short song of honor that Taborah wrote and sings with her daughter and niece. Fast, slow, dance and soul. Her style changes with her music. Her music

can not be labeled to one genre. Her sound is worldly. A brief yet memorable ride A Piece of Me will leave you wanting more. Taborah's first USA release, "I AM (the rising)" went on to become a Top 5 Billboard hit and charted for 16 weeks! It also was the 2005 tip-off song for the Women's National Basketball Association (WNBA) New York Liberty for both home and away games.
