Details: This is the Renditions' first CD release featuring classic 60's and 70's songs performed at their live shows. They're a 6 piece band and this collection features each of their 4 singers on lead vocals as well as showcasing their signature harmony sound. Notes: Do you fondly remember the summer and sand harmonies of the Beach Boys, the East Coast bravado of the Frankie Valli and the Four Seasons or the screams and excitement of the British Invasion? If you do, The Renditions are the musical group for you. Whether it's an up-tempo rocker from Elvis Presley, a slow, romantic ballad from Patsy Cline or a great tune you'll never forget from a 60's one-hit wonder- The Renditions play 'em all! The Renditions are a dynamic group of six veteran Chicago musicians who create an authentic sound reminiscent of the 50's, 60's, and 70's. What's the recipe? We start with 4-part vocal harmony, add ringing guitars, a splash of swirling keyboards and a thumping backbeat served up with loads of energy but the most important ingredient is the music itself. We take pride in playing the greatest songs ever written in Rock 'n' Roll Classic Era and sharing them with you!
