

# Mp3 Travis Taylor - Sundays Vol. 1

[DOWNLOAD HERE](#)

Sundays Vol. 1 is a collection of worship songs Travis recorded live at Calvary Church of Pacific Palisades, CA. This is not your typical live church record, it's full of raw energy, melodic choruses, and heart felt worship. 9 MP3 Songs

**GOSPEL:** Contemporary Gospel, **ROCK:** Acoustic Details: In a never-ending search to bring new ideas and sounds to the worship music forum, Travis Taylor writes music that is fresh, heartfelt, and continually stretching the boundaries and limitations of corporate worship. Drawing from influences of all types, old and new, Christian and secular, Travis is able to craft lyrics that are original and inventive, yet all the while familiar to the worshippers soul. Taking the lead from the British worship movement of years gone by and running with it, his music is melodic and reverent without losing the ability to grip your heart and force it to pay attention to the beauty and mystery of our Heavenly Father. Dont be surprised to find yourself humming a tune of Travis in traffic and wondering where it came from.

**The History:** Born and raised in Houston, TX, a state that is itself a patchwork of musical styles and influence, Travis was introduced to music at a very early age. He spent his formative years playing in bands with his brothers, their talents constantly fostered and encouraged by their parents who were musicians as well. Feeding a desire for more of God, Travis was constantly playing at different college groups, bible studies, retreats, and organizing worship concerts that united youth and young adults of all different churches and denominations. Eventually, this led to the recording of his first full-length album *Some Will Rise*. With a fresh album in hand, he put together the band Tenthousand Flying, and began to play across the state. The word began to spread, until the band was playing all across Texas and the southeast. *Some Will Rise* turned out to be a notable independent success, selling close to 10,000 units. After three years of playing, numerous EP releases, and one more full-length album, God began to move the pieces of the band in different directions. Always working in ways that we

cant always perceive, this is where God opened the door to Travis current position as Modern Worship Leader at Calvary Church of Pacific Palisades. Today there is a new sound in Pacific Palisades. Travis has surrounded himself with incredible musicians, who have a heart for the Lord. Week after week this community of artists share their talents with each other in a musical creation that is alive and stirring. The Record: Sundays Vol. 1 is the first in a series of records to come from Calvary Church of Pacific Palisades. It captures the energy and heart felt experience of Sunday morning worship at Calvary Church. Its well recorded and well written, including original as well as cover songs that will capture your heart and move you to a place of worship.
