Magical, loving, and creative original solo piano compositions to create a soothing, gentle ,uplifting atmosphere. 9 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation Details: There is a state of consciousness that has been described as blissful, centered, loving, present, in the moment. In this state, a calm wisdom, in peace and harmony with whatever enters within its awareness, and a gentle gratitude pervade each moment. Nothing seems amiss; there is a fullness and sense of well -being. It may be experienced as a rush of energy from a place of seeming perfection. There is a contentment that reflects our deepest dreams of what we wish for ourselves. Simply put, it is a feeling of equanimity and perfection which overrides all worldly concerns and worries. Our mind becomes still and we understand in these moments what happiness truly is. This is the way in which I hope Piano Meditations inspires you. It was composed and performed with the sole purpose of giving unconditional love to the listener. To my great delight it has often achieved that goal. I sincerely wish for you a peaceful encounter with this recording. I will be happy to refund your money if you feel disappointed in any way. I can be reached at: bookston@earthlink.net
