ROCKIN' BLUES - GUITAR BLUES - PIANO BLUES COUNTRY: BLUES - ROCK - GOSPEL 50's / 60's
Rock / Clean Guitars 12 MP3 Songs BLUES: Guitar Blues, BLUES: Blues Vocals Details: I grew up in Northern Germany as son of a Lutheran Reverend in the tradition of a German-American Family. Theses relations and ties shaped my life in Music and by heart. My 'Musical-Biography' started with singing and playing piano, guitar and banjo in a High-School-Band and a Skiffle-Group in the early 1960's. - continuing in Southern California, Arizona and Tennessee in the midst of the 1960's, where the wonderful influences of Rock'n Roll, Country Blues inspired me and my Music-Style till today. A strong voice and a good feeling in playing several instruments are my gifts for singing and playing on the one side, composing and arranging of mostly own-written songs on the other side. So I've pleased a lot of people of all ages around the world during my professional career, never forgetting, to hold on to my roots and picking up the best opportunity, to create and produce my Music-Style. This chance fulfilled in the beginning of 2003 with my Membership of E.H. KING Music in St. Fe, Texas, and my CD "GLIDE AWAY". The wonderhul relation and cooperation with Barbara Edward King helped me, to achieve a worldwide awareness with my INDEPENDENT Music on "GLIDE AWAY" plus 6 Tracks on the EHK-Compilations: #35 "ITCHIN' GOOD MUSIC" #42 "PAST-PRESENT-FUTURE" #44 "JUST HUMMIN' ALONG" The growing success in international Airplay brought me to those Music-Corners, where my heart is still beating. This is above all the NASHVILLE SHOWCASE BOARD, THE TEXAS TWISTERS, TwangTownUSA, MISTY RECORDS, THE ECMA with all its European Boardlists from Belgium, Danemark, The Netherlands, The UK, FRANCE, IRELAND, just to mention the Europeans with the highest awareness of my Music. Supported by WORLDWIDE MAINSTREAM 'MOST PLAYED "MAJOR INDIE" ARTISTS CHART, with my first ranking in August 2003, I approached to my best results ever in

ISON LIVE RADIO INTERNATIONAL NETWORK together with NASHVILLE SHOWCASE PLAYLIST BOARD, and that in the WORLD UNDERGROUND MUSIC SHOW, after achieving several Chart-Positions in BIG COUNTRY ROUNDUP: My "GLIDE AWAY"-Songs "BACK IN LIFE" "DREAM GIRL" held positions under the TOP 10 in the row from June to Nov. 2004. Per Nov. 14, 2004, "BACK IN LIFE" was #1 and "DREAM GIRL" was #2 under the TOP6. Until now E. H. KING used my CD "GLIDE AWAY" and the Compilations, to bring my Music to international DJ's. So, when I heard from Joey Welz (also member of the E.H. KING-Family and former Piano-Player of Bill Haley's Comets), that he joint CD BABY, I didn't hesitate, to follow him. So I'm happy, that everything is going on so easy and perfect.
