

Philosophy Of Language: An Introduction - Chris Daly

[DOWNLOAD HERE](#)

Philosophy of Language is an accessible yet detailed introduction to the major issues and thinkers in the subject. Thematically structured, Philosophy of Language introduces the work of leading thinkers who have contributed to the discipline, including Frege, Russell, Strawson, Grice and Quine and also examines key distinctions that arise, such as sense and reference, sense and force, descriptions and names, semantics and pragmatics, extensional, intensional, and hyperintensional contexts, and the problems which these distinctions involve. Cogent and thorough analysis throughout is supplemented by student-friendly features, including chapter summaries, questions for discussion, guides to further reading, a glossary, and an extensive bibliography. Closely reflecting the way the philosophy of language is taught and studied, the structure and content of this introduction is ideal for use on undergraduate courses and of value for postgraduate students. Author: Daly, Chris Publisher: Bloomsbury Academic Illustration: N Language: ENG Title: Philosophy of Language: An Introduction Pages: 00336 (Encrypted EPUB) / 00336 (Encrypted PDF) On Sale: 2013-03-14 SKU-13/ISBN: 9781441173508 Category: Philosophy : Language
