

# The Juniper Tree And Other Tales - The Brothers Grimm

[DOWNLOAD HERE](#)

This volume contains a carefully chosen selection from the Grimms Childrens and Household Tales, the most famous and influential of all the great nineteenthcentury folklore collections. The fairy tales collected by the brothers Jacob and Wilhelm Grimm were first published in 1812/15. While no one knows where the tales first came from, features of many are found in myths from all over the world. Through the oral tradition, they were passed down for centuries by illiterate storytellers, until at last collectors began recording them in print for the world of today, where they still captivate and delight. The awardwinning translator Anthea Bell has selected, edited and written a foreword for this new collection.
