Roth Garrett has finally found the man who used a group of henchman to attack and leave him for dead. He is resolved to settle the blood feud and avenge himself. However, the man seems to have ingratiated himself to a legitimate businessman, Braxton Langford. When Roth arrives to speak to the merchant, he finds a woman. Braxton has her own agenda for the man they hold in common. She refuses to cooperate and having a female refuse him anything is a new experience for Roth. This begins a maelstrom of conflicting goals, but intense shared passion. The Garrett family saga began in TAKEN, continues with the story of Roth Garrett. This erotic historical novel also furthers the tradition of adventure, as well as deepening the exploration of sensuality and love.
