****The HD (24 bit/96 KHz) version of this sound effect is available to purchase directly from the windybeachaudiowebsite.**** Windybeachaudio- Royalty Free license agreement. Windybeachaudio.com
Email: info@windybeachaudio.com Web: windybeachaudio.com Windybeachaudiogrants you the purchaser of our recorded works the non-transferable right to synchronise the windybeachaudioproducts (Sound Effect/s) into your production under the following license agreement. Windybeachaudioare the sole copyright owners of the windybeachaudiosound effects library and DO NOT belong to any royalty collection agencies so you will not be expected to pay any additional fees for our products. What you can do with our product You may use our sound effects in any production whether it is for commercial or non-commercial use. There is no limit on the number of copies that can be made of your production. You may use the sound effects you have purchased/downloaded in as many different productions as you like without paying any further fees. You can make unlimited copies of your production that includes our sound effects. The Windybeachaudiolicense covers you for both broadcast and theatrical usage. The

territory is worldwide. The license lasts indefinitely. You can edit, re-arrange and add effects (e.g. reverb) to the windybeachaudioproducts in any way you wish; to suit your production. What you cannot do with our product You cannot re-sell the windybeachaudioproduct in its raw form or include any of the windybeachaudioproducts as part of an external sound effects library without the owners permission. The sound effect/s must be incorporated into a production of some kind i.e. There must be a bespoke scripted voice over or synced with a visual element where the main focus is on the production. You cannot claim any intellectual rights to our sound effects even if you rearrange, edit or add effects to the product. We remain the sole copyright owners of the windybeachaudiosound effect library. Crediting us We would appreciate a credit when you use our product. Cue Sheets If you are required to file a cue sheet then please use the following information. Company: Windybeachaudio | Sound Designer: Paul Hurst Remember we are not registered with any PRO but filling out a cue sheet is often necessary. This Agreement shall be governed by international copyright laws Please feel free to contact us for more information.
