

# Ecodesign -- The Competitive Advantage

[DOWNLOAD HERE](#)

This volume deals with the new EuP-directive of the European Union forcing manufacturers of electronic equipment to consider Ecodesign in their product development. Selling electronic equipment in the EU will require conformity assessment with the new EuP-directive currently under development. The conformity will be expressed by the mandatory CE-marking. EAN/ISBN : 9789048191277 Publisher(s): Springer Netherlands, Springer Science & Business Media Format: ePub/PDF Author(s): Wimmer, W. - Lee, Kun-Mo - Quella, F. - Polak, J.
