Since your reading, I am sure I don't have to tell you how big and how extremely profitable the Forex niche is. There is almost an endless supply of products you can promote in this niche and many of them will pay you big commissions. Here is your opportunity to cash in on a massive market full of people more than willing to spend their money. I can also tell you that there are so many people that don't know how to trade with forex and they need your help. They know there is plenty of money to be made, they just often don't even have a clue as to know it works. This where you come in... You'll be getting a ready-to-go Forex Expert website that is already pre-loaded with everything you'll need to build yourself as the expert and authority when it comes to Forex Trading. It comes loaded with 11 quality text posts that have already been added to the site for you. Content to get potential customers to your site and to keep them interested. The site also comes with over 100 Forex related products from amazon. These are amazon affiliate products built-in to the site with full product descriptions and proven buy now buttons. What's great is that these amazon products are affiliate links direct to amazon, so amazon handles everything for you. You don't need to ship anything, no payments hassle and no customer service for you to worry about. When a visitor on your site clicks on an amazon affiliate link, goes to amazon and makes a purchase, you get paid. It's that simple and that easy. No mess or fuss for you. Your new sites categories include: Forex Books Forex DVD Forex For Dummies Forex Kindle Books Forex News Forex Platform Forex Secrets Forex Tips Forex Video Introduction Check out our fully functional Demo Site: Forex Expert How you'll make money from this site: Clickbank ads built right in to the site, a total of 4 that show on every page. It's very simple and only takes a few minutes to add your own ID, so you get credit for every sale. Over 100 Amazon Related Products pre-loaded into the site for you. It only takes about a minute to add your affiliate links and you get credit for all the sales. Of course it's your site, so you can change or add to it all you'd like. Add your own money making advertisements, your own products, it's totally up to

you. Even add adsense ads to profit from high paying clicks in the Forex niche. There are so many products you can promote on this site, such as digital products like Robot software that pays big bucks for every one you sell. Your new website comes with the following Features: Social bookmarking built-in make sit easy for your visitors to post your webpages to Facebook, Google+, Pinterest, Twitter, StumbleUpon and more. You can even set up the social buttons you want with a load to choose from, over 80 in total, covering just about every popular social network. Tracking your traffic with Google Analytics so you know exactly what people are doing on yyour site. You'll also know where they are coming from. Search Engine friendly URL's so you stand a much better chance of getting your web pages ranked and getting some precious search engine traffic. Content is pre-loaded into the site already. You can change or edit the content any way you see fit and add to it all you'd like. Over 100 Amazon Related Forex products built into the site. The work has already been done for you. They include complete product desctions and buy now buttons that have proven to convert well. Video Page built into the site, Forex Trading Video's from youtube. These video's are embedded right into your site, so you won't be sending your hard-earned traffic away. This also gives your site visitors a reason to visit your site and spend some time. All necessary plug-ins are included, from spam protection to a contact form. Google Site map feature so the search engines will easily find all the pages on your new website and give you a better chance of ranking well. Built-in Privacy Policy page which is getting important with places like Google. It's done and there for you. It's so EASY for you to use... The site runs on the Wordpress website platform (all files are included, Version 3.4.1), so you know it's super easy to maintain, edit, change, use and add new content. It's just a matter of point, click and type. BONUS: We've even included a report that explains how to profit from your new site including traffic generation topics. Once installed (complete install instructions are included), you will have full control over the site, which means you can change or edit the site anyway you want. For most people it's a 20 minute installation.
