New Jazz 13 MP3 Songs JAZZ: Smooth Jazz, ELECTRONIC: Dance Details: Its been an eclectic whirlwind journey...New York, D.C....,across this nation, then across the Pacific Ocean. Jazzman absorbs what sights and sounds there are in each place. He doesnt stay long. But whether its up-tempo Big City, U.S.A. or the meditative green hills of Pennsylvania, the stunning canyons of Arizona, the emerald Caribbean, or exotic Japan, each place gives him ideas to build upon. Stories of love, joy, disappointment, sorrow--dreams of triumphant success are all right there in his hands. Everywhere he travels, has been and hopes to be, is expressed and can be felt in that state of mind/body/spirit called NEW JAZZ CITY.
