Indie power pop with the perfect mix of grit and polish; edgy, crackling guitar lines driving the inspiration into atmospheres bordering on the spacious. 13 MP3 Songs ROCK: Modern Rock, POP: New Wave
Details: ButterFace hail from the suburbs of San Diego, California. The three members come from completely different musical backgrounds, but have found their niche in the graces of Rock-N-Roll. Formed in the summer of 2002, butterFace have just released their debut CD to rave reviews. The band has been mentioned honorably in the 2003 Indi Rock Fest, an online music festival. They have played to their fans in various venues such as The Adams Ave Street Fair and local musical clubs. Now with a sense of purpose, butterFace hopes to broaden their horizons and take on the world!
