Traditional/Contemporary Gospel /A Testimony, Songs of Praise that God still answers prayer 6 MP3 Songs GOSPEL: Traditional Gospel, GOSPEL: Contemporary Gospel Details: Candy is an innovative Evangelist and Gospel Singer. She is a vessel to be used by God to reach thousands by ministering the word of God by speaking and singing. She is a born again Christian filled with the Holy Ghost. Her vision is to help someone along the way, have a renewed mind by reading and living the gospel of Jesus Christ. Prayer is her top priority in everyday life and she has been praying since a child. Her motto is to always stay focused on the scriptures, have an anointing and strive for spiritual excellence. Candy faced the most Traumatic Dilemma of her life in June 1999, when her oldest daughter Sheryl, was given up not to make it by the Head Surgeons at UCLA Medical Center in Westwood, CA., not to survive 4 Brain Surgeries. Three surgeries for Ruptured Aneurysms and one surgery for a CT Shunt to be put in her head to keep the fluid drained off her Brain. The doctors said there was no way Sheryl could make it because most people do not survive surgery for even one Ruptured Aneurysm. Candy began praying on the onset of the Trauma and called people and churches throughout the United States, Bahamas and Jamaica to pray for Sheryl. Well, thanks to the Amazing Grace of God, she survived all four (4) Brain Surgeries and is a MIRACLE right now today, no mental nor physical impairments. Sheryl was released to go back to work as an Accountant, three months after the fourth surgery, she went to church, got saved and filled with the Holy Ghost. Prior to the surgeries she had not been to church in 2 years. If, you see her you would never know she had any surgeries. All you have to do is have faith when you pray and believe that God will answer your prayer. God does not leave us, he is the same yesterday, today and forever more! Candy gives God all the glory, honor and praise for the Miracles he gave Sheryl and other family members and for sending an Angel of Peace to her home in May 2000 when she was going through

another family and financial crisis. Yes, I have seen a real Angel! Thank you Jesus!
