Greatly influenced by songwriters with the guts to be honest. It's bluegrass, country and pop all done with unique acoustic style. 10 MP3 Songs FOLK: Folk Pop, COUNTRY: Bluegrass Details: Christy McGuigan As well as extensive tours of Ireland, Scotland and England, Christy has taken his talent as far afield as Dubai, Italy, Germany, Holland, Norway, Singapore and the USA. His considerable songwriting and performance skills have seen him play support act to, amongst others, Brien Kennedy, Mary Black, Dwight Yokum, Sean Keane, Fairport Convention and most recently Juliet Turner. Songwriting and playing live for twenty years now, Christy is concentrating on home ground with his well received CD of original material "All Grown Up". Here Christy's accomplished versatility is clear in his varied musical styles and instrumentation which always compliment the diversity of his lyrics and distinctive vocals. Forward to January 2005 and Christy has been awarded first prize for best song in English by Belfast/Nashville Songwriters Festival. This is going to open many doors and let this man's music be heard by the audience it deserves.
