I often recieve personal phone calls from recording artist KENNY LATTIMORE about my music, how he enjoys it, and what he heard about a show i recently did (at whatever time that is). I have my own label with two other partners called Soul-O Records. Im the first artist we're pushing. Im currenty n the process of a down south tour being put together starting in October sometime. I also have two "MIX TAPES" that i've completed. Also, my first album before "CLOCKIN IN" that im re-recording at this time with the intention to re-release it to the world. I've gotten all outstanding reviews when it comes to everything ive done so far. ALL PRAISE 2 GOD, JESUS CHRIST. Thanx 4 ur time and support. I will continue 2 do the work of GOD as long as HE allows. GOD BLESS. SOUL-O RECORDS. "CLOCKWORK" P.S. DO YA DANCE!
