Colleen's dynamic songwriting and stunning vocals will draw you in. With a sparkling assortment of styles, this inspired collection of Christian music is indeed, Power Laced 12 MP3 Songs EASY LISTENING: Soft Rock, GOSPEL: Contemporary Gospel Details: Colleen Hodgson in her debut album is a wonderful discovery! This is happy music, alive and full of joy. The more you listen the more you'll want to hear! Colleen's stunning vocals are her shining feature. Coupled with a depth and variety in songwriting, she moves from one style to the next, becoming something new with each song. This is a fabulous combination for pure enjoyment. She is from the Northwest; and lives in Spokane WA with her husband Byron. They have been married for 22 years and have three children. She has always been a singer with a natural gift that she claims came from her Grandfather. Accepting every opportunity to sing through the years, she has acquired a wonderful mix of experience: school choir, weddings, funerals, church choir and worship leader. She has sung on local Christian television and for various conferences. Colleen has traveled with Byron to Europe a number of times where together they have done ministry, leadership conferences, and church camps. Recently they spent 3 weeks in Slovakia, ministering in various churches and a regional conference. Colleen began to write songs in 1996. She is unique in her writing and the melodies are unforgettable. Her talent and musical gifts are vividly apparent here. This project took three years to complete. It is the realization of a dream, the fulfillment of a commission...and the beginning of something incredibly exciting! ALSO AVAILBLE: "HINDS FEET ON HIGH PLACES" MOVIE A childrens film starring Colleen's youngest daughter, Carly Hodgson, as Much-Afraid. A wonderful full feature movie filmed in the Northwest and Canada. Availabe now on VHS or DVD!
