Chock full of abruptly likable pop/rock tunes. Undeniably illustrates his abilities to write great songs and to make music with real honesty and passion. 12 MP3 Songs ROCK: Classic Rock, COUNTRY: Modern Country Details: Listening to Daniel Rhodes' collection undeniably illustrates his abilities to write great songs and to make music with real honesty and passion. His lyrics are deep heartfelt expressions of experiences personal to himself or the people close to him. Rhodes' extensive musical talent spawns abruptly likable tunes that include contemporary, rock, country and blues. Daniel Rhodes, a native from North Vancouver is an educator by day and singer/songwriter the rest of the time. A natural at both, Rhodes' extensive collection of original tunes has been met with success with the release of his album 'YOU I', performing, and having airplay on college and commercial radio. Rock-crit Tom Harrison and the CFOX brass have encouraged Rhodes to seek major-level distribution. But as an independent artist, Rhodes likes to have control of his musical path and is involved with all aspects in the production of his collection. Since 'YOU I', Rhodes has written and produced more tunes to add to his collection and is now looking to market his work elsewhere.
