Details: Hostick Boyz were raised in Miami's inner city area, attended predominately black inner city schools and did all the things that inner city kids do. They learned early that life is not easy but if you learn to survive you will make it. They learned that life dealt them an unfair hand because of who they are, but it was left up to them to determine who they will become. Hostick Boyz was started by faith. Just knowing that they could be the best they can be, they kept hope alive and watched for the manifestation of wondrous works was their aim. Focusing on their music, families, promoters and all other helpmates and by faith, THEY MADE IT. A reward that can't be described but by one word JUSTICE, for Dem Hostick Boyz. MOTHER DON'T EVER GIVE UP ON YOUR BOYS, FOR ONE DAY THEY WILL BECOME MEN.
