

Mp3 Elizabeth Ross - One Of A Kind

[DOWNLOAD HERE](#)

"Country, soul, blues...hers is a voice that's easy to remember...and her touch for writing and picking music...is impeccable." Face Magazine 9 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Folk Details: "One of a Kind, has a distinct coffee house sound, smart lyrics and strong musicality...the perfect companion for a long, rainy drive through the country, or a lazy afternoon lay-in with your lover." Face Magazine, April 2002 The first cut, Life Gotta Live It" Is made up of sharp acoustic guitar, stand-up bass and mandolin..reminiscent of country, acoustic soul and pop folk. "Her selection of songs from some of Portland's finest musicians, are perfectly blended with her own songs...and the spoken poem, Worm feels like summer..." says Northeast Performer. "Ross gives a compelling performance on "Worm"... on par with Ani DiFranco", says Face Magazine She has shared the stage with John Gorka, Ellis Paul, and Cliff Eberhardt. Her newest album, Alabama Blood, was released in August 2002. This album explores more deeply her southern country roots. Look for it with CDBaby now!
