Details: If you wanted to know about me I'd tell you that I had a passion for singing and good music, and my name is Emily Elizabeth Portman. I love to fool with horses and ride through the woods, spend time on the lake, go out and eat at a good restaurant, watch old movies, and most importantly I love spending time with family and friends; plus remembering what is most important in life, love. I am an outgoing and friendly sort a gal who loves to be around people who are uplifting and happy. I want to help the world out with smiles and good music... that is sorta my personality wrapped in a nutshell. My love for music began at a very young age; I loved to sing along with my radio and loved mostly rock n roll and country music. I've played many great shows such as legends shows where I portray Loretta Lynn. I work with many people who like to get involved in my career as a singer, and along this journey God keeps throwing great things my way to make it even easier. Billie Allen and Ivan Engle are two of my biggest supporters and they are inspirations in my life. Not only have they helped me by becoming my bus driver and manager/promoter, they have been able to help one another out in so many great ways. It's all part of a great plan, and folks it's fun to jump on this bandwagon! During the time I've been performing I have been blessed with many opportunities and have opened up shows for some amazing artists such as Doug Stone and T. Graham Brown. I also sang some duets and opened for David Frizzell in the summer of 2002. During my short visits to Nashville, Tennessee I have met some terrific writers and musicians. One writer in particular who has helped me and supported my singing is a friend named Rand Bishop who wrote My List for Toby Keith. I have been fortunate to meet Archie

Campbell, Vern Gosdin, Toby Keith, Chris Cagle, and twice Miss Loretta Lynn! I got to sing with her sittin on her bus and she even asked me what the words were! Am I a lucky gal or what?
