This CD is in a category of its own. It's soothing, yet spiritually provoking to worship the Lord in the beauty of holiness. It's fresh, and new. A true worshipper's must-have. Experience the breath of God as you play this CD during your prayer/meditation. 8 MP3 Songs GOSPEL: Contemporary Gospel, SPOKEN WORD: With Music Details: Faith Davis has been a silent force in Gospel music for many years. Preserved for her NOW, appointed season, she emerges. "All I Want to Do" has played #1 for nearly two years straight. There are people waiting for answers from God as for their next move, direction and shift. Somehow, the Lord has chosen Faith Davis to be a conduit of songs He sings to himself (in answer) to those who diligently seek Him. The premier music and vocal instructor for the renowned Tri City Singers. She is known for the powerful gift of God in her life to bring hundreds, even thousands, into the presence of the Lord...detained. Opening concerts and worship services for countless artists: Twinkie Clark, Bishop Paul Morton, Bishop Norman Wagner, state chapters of Sororities and Fraternities; "Spirit Fest" at Greenville, SC Bi-Lo Center and other conferences, summits and gatherings too numerous to name. In her own words, "I'm only interested in producing tools for the lives of millions that will live at least 100 years beyond my demise. When and wherever my music is played, there will be instant recognition that it is God-breathed. It's like a cool drink of water to a parched spirit." Someone commented that this freshman CD represents songs that the Lord himself wrote for himself. They are songs that the Lord wanted to hear sang back to him. "When I received this comment, I knew that I'd finally tapped into the coveted 'Songs of the Lord'...which is the heart of my pursuit when writing". You think this CD is something, word has it that Faith Davis, the Minstrels Levites are preparing a brand new release titled, "Psalms 4 Prayer", which includes a Live Recording worship experience open to everyone in November, 2005. Some of the cuts include Psalm 4:1, Psalm 18:1, Psalm 63:3, the tear-jerking Psalm 56:3 and the masterpiece; Psalm 1.

SHHHHH!!!! Let's keep this between you and me.
