

Mp3 Francis J. Cavallo - Reflections

[DOWNLOAD HERE](#)

American ballads, country and waltzes inspired by my dreams, life's travels and experiences. 11 MP3 Songs EASY LISTENING: Crooners/Vocals, COUNTRY: Traditional Country Details: Laughter, smiles, tears, heartache. These and other emotions combined with easy listening lyrics make up the songs of Francis (Frank) J. Cavallo's debut album Reflections. Reflections is defined as a consideration of some subject matter, idea, or purpose. When listening to this CD, it is easily recognized how the songs and ballads mirror everyday life. The songs reflect the past and present and gaze to the future. They are the memories that embrace life's experiences that are captured in the heart and soul. Featuring vocals by John Ballesteros, Lisa Freud, Chris Wilson and Mary Fillingham with musical arrangements by David Snider. The talent of these individuals combined with the lyrics and music of Frank Cavallo make this CD a recipe for success.
