Classical ensemble of strings pianoforte, unashamedly Romantic Baroque in power, depth and coloratura. 10 MP3 Songs in this album (45:29) ! Related styles: CLASSICAL: Baroque, CLASSICAL: String Quartet People who are interested in Johann Sebastian Bach Antonio Vivaldi Monteverdi should consider this download. Details: For our third album, Viola by the Window, we've looped in a warped time machine that has landed us, via a black hole of the mind and soul, into the Italian Baroque. The compositions, sonatas and concertos are fueled by an ensemble of classical strings and pianoforte that have left us, in primis, stupefied by their Romantic lyricism, a chiaroscuro of explosive emotive passion and the imploding introspective power of the Sublime. A Caravaggio....no less. GOT Poet Composer is Luigi Monteferrante; originally from Montreal, Canada, he lives on Italy's Adriatic Shores. His poetry has been published in: Neon, Quills Canadian Poetry Magazine, Yellow Mama, Word Slaw, poetryfriends, Poesia/Indiana Bay, kudos, Sonar4, Poets Ink Review, The Battered Suitcase/Vagabondage Press, Twisted Tongue, Danse Macabre, Language Culture, Kritya, Burst Now, Motel 58, greenbeard, Glass Poetry Journal, Wow, Orbis, Faraway Journal. Chicago Quarterly Review and Happy have published his short stories, and he has recently completed a third novel involving Futurism, NYC, Fascist Italy and three generations of manhood. Nota Bene: Like Glenn Gould, we do not perform live and in concert. We prefer to stay in bed with a book. Also, on the terrazzo by the sea with a mug of milk and honey we very much enjoy listening to the tune of twinkling stars and the outgoing tide. That said, we are available for interviews, talks, milk. If you wish to contact us, please write: info@luigimonteferrante.com. Buon ascolto, and may you sleep with many muses. Thank you.
