30 of today's most popular baby boy's names. Find your baby's name and download it. Or buy the whole album (same melody, different names) and share with your friends. 30 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Lullabies Details: This album of baby boy's names combines a catchy melody and rhythm with the name of your baby boy. Your baby's song will repeat his name in every line along with a positive message ending with "I love you so." What better way to give your baby a positive self-image than to play his very own song over and over again, or to learn the lyrics yourself and sing them to him! You can purchase the entire album and share your friends' babies' names with them, or go to your favorite download site and download one song at a time. You'll find baby girls' names in another GrandBob album, "Your Baby Girl's Very Own Song," featuring the 30 most popular girls' names of today. GrandBob is a gifted songwriter and popular children's music entertainer who lives in Nashville, Tennessee. All of GrandBob's songs are kid-friendly, wholesome and positive. Look for his other catchy albums, "Giggle and Grin With GrandBob," nominee for Best Children's Album of 1998 by the Nashville Music Awards, and "Wiggle and Waggle With GrandBob," a fitting follow up to that first classic. GrandBob co-writes with kids in the special Words and Music program at the Country Music Hall of Fame and Museum in Nashville. GrandBob is a member of the Family and Children's Entertainment Society, and the Children's Music Network.
