

Mp3 Gulan - Spirit Of The Sound

[DOWNLOAD HERE](#)

Ambient meditation relaxation healing background music. Album "spirit of the sound" with gulan's combination of ambient, healing and meditative music is a journey to the depth of your consciousness. 6 MP3 Songs NEW AGE: Relaxation, NEW AGE: Ambient Show all album songs: Spirit Of The Sound Songs Details: First 4 songs of the album are referred to ambient and meditative music and especially suit those who do spiritual practice and meditation. These 4 tracks are 4 stages of entering meditative state and staying in it: 1. concentration - track "Transcendentia". 2. relaxation, immersion, dissolution in your inner space - "Spirit of the Sound" 3. purification, disengaging of your inner light, realization - "Awakening" 4. completion, coming out of meditation and keeping harmony - "Altai 2" The music has no pointed peaks or overfalls, it is tranquil, monotonous and helps smooth and soft entering into deep layers of consciousness...It is recommended to listen to this music in a relaxed and passive condition - sitting or lying... Next 2 bonus tracks "Cassiopeia 4" and "Cassiopeia 5" - space music... beautiful and rich sounds.
