A delightfully hypnotic collection of classic Christmas songs arranged for acoustic and bottleneck slide guitar. 12 MP3 Songs NEW AGE: Contemporary Instrumental, FOLK: Traditional Folk Details: "Holiday Guitars" is a delightfully hypnotic collection of classic Christmas songs. Bluesy bottleneck slide and percussive, melodic guitars. Imagine an impromptu yuletide jam session between Ry Cooder and Michael Hedges. "Holiday Guitars" begins with a driving rendition of "God Rest Ye Merry Gentlemen," and closes with the starkly beautiful solo baritone slide of "Amazing Grace." Other treats along the way include a sleepy Hawaiian-tinged "Silent Night," and a humorously reggae-styled "Jingle Bells."
