If Simon and Garfunkel, or the Beatles, or the Beach Boys were still recording, this is what they would want to sound like. A rubber soul for the new millenium. Unbelievable vocals, guitar work and the greatest songs you've ever heard. 11 MP3 Songs FOLK: Modern Folk, JAZZ: Jazz Vocals Details: michael smith and james lee stanley are two of the greatest songwriters working today. this is a project they both wanted to do and it is their favorite work of all they have done. Recorded in Los Angeles over a three year period (when their schedules coincided), they have produced an album of remarkable sophistication and musicality. We think it might be the best recording you've ever heard.
