

Mp3 Jo Davidson - Tell The Story

[DOWNLOAD HERE](#)

A cross between Erik Satie and the soundtrack of the movie The Piano, this collection of piano solos is moody, melodic and thought provoking. 15 MP3 Songs NEW AGE: Healing, NEW AGE: Ambient Details: TELL THE STORY is a collection of 15 piano solos composed, performed and recorded by Jo Davidson. Moody, melodic and thought provoking, Tell The Story is a journey which centers around a poem about Paris. Jo's style has been compared to Erik Satie as well as the soundtrack from the movie The Piano, and even to touches of Chopin. This album is dedicated to the memory of her piano teacher.
