Experience Vangelis' sense of style coupled with Miles Davis' sense of melody in jon el's harmonious guitar-electronica creation. 13 MP3 Songs NEW AGE: Ambient, ELECTRONIC: Ambient Details: JON EL is a guitarist and songwriter who has recently begun to fuse his guitar roots into electronic/ambient music. The result is a passionate self discovery... what he was created to do! LISTEN AND DISCOVER WHY OTHERS ARE SAYING: SUNRISE DREAM -- "I could listen to this all day long. Man, this communicates with emotion, life, energy... this is why I listen to music at all! Thanks for the journey to a refreshing place." RIPPLES ON A BLUE MOON -- "Your excellent sense of melody comes through even when you play the blues. My only negative comment is that it ended too soon!" NIGHT FLIGHT -- "Love the seductive guitar work." WOLF SONG -- "A Kraftwerk cum Tangerine-Dream work that develops in subtle ways and get increasingly complex without the listener noticing unless they pay rapt attention. Bravo!" WHISPER WIND -- "This is the first in 20 reviews that I have liked completely. Very impressive guitar work and tasty pads"
