Contemporary Christian/Gospel 10 MP3 Songs GOSPEL: Contemporary Gospel, KIDS/FAMILY: Kid Friendly Details: Julie Jacobs is a worshipping Pastor and an ordained minister of the Gospel of Jesus Christ through Christ for the Nations Fellowship of Ministers and Churches. She and her husband of 24 years, Robb, are graduates of Christ for the Nations in Dallas, Texas. Julie began receiving songs in 1995, and has nearly 300 songs to date. Her current recording project, "Behold He Comes," is expected to be released in the spring of 2005. Other CDs in her collection include Revelation 4 5, and Mighty To Save. Mighty To Save is a collection of passionate songs meant to encourage Christian believers to take a stand for their faith. Someone famous once said, "Jesus Christ is not a pantywaist!" On the contrary, He is a mighty warrior dressed in battle array coming for His Bride, the Church, on a white charger in power and authority. Even today, He is as close as the mention of His name. Julie is on a "first name" basis with Jesus Christ. Since coming to faith in 1979, she has been in a position to draw close to God through recovery from chemical dependency, healing of broken relationships, and believing for miracles for her children and grandchildren. Called into full-time ministry in 1996, Julie says, "That's when things really began to happen." Julie has been a Pastor in the inner city and in the suburbs, in traditional and non-traditional settings. "I have seen God do miracles in people's lives, heal the sick, raise the dead, restore broken lives, really, anything His children have the courage to ask God for, He is willing to supply. The CD, Mighty to Save, is really about believing that God is who He says He is and that He does what He says He will do. That's Good News. And we all could use a little Good News right about now."
