Mutha Folkin' World Rock. 17 MP3 Songs FOLK: Folk-Rock, WORLD: Native American Details: AN OUT OF THIS WORLD-BEAT TRIBAL FUNK ROCK EXPERIENCE!!! A mesmerizing emotive musical experience that can silence a room, turn it upside down, and make it sweat. From Folk to Rock to Reggae to Funk to Country to Psychedelia to Tribal Drums and Flutes to a style like no other, KatsK is a genre chameleon and truly a unique and deeply impact-full musical anomaly. Weaving together an impressively thick sonic tapestry, I was really blown away by KatsK and their massive Middle Eastern sound.
