Country meets rock with a little Irish thrown in for flavor 10 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Folk Details: Six years ago, KC Flynn and his then-girlfriend packed all of their worldly belongings in 6x12 U-Haul trailer in Portland, Oregon and hit the road, destination: Nashville. After almost a decade of playing gigs up and down the west coast, he was ready to chase the dream. And chase he did. He wowed audiences all over town at open mics, landed a weekly seat in a champion songwriters round at the world famous Broken Spoke, even bumped into an A&R guy from a major label (no names to protect the innocent) at a bar and handed over his demo cd. The reviews were in: this guy was goodthe right look, good original songs, and an amazing voice. Stick around for another 5-10 years, and youre bound to catch that lucky break, said Mr. A R. But, you know what they say, you can take the boy out of Oregon, but After moving back, KC Flynn has been happily living in Bend, Oregon with his now-wife (same girl) and two young boys. But he hasnt stopped chasing that dream. In fact, he is more involved with music now than he ever has been. He is still writing, and entertaining an ever-growing fan base. Playing over 100 gigs a year, its no surprise that he was voted Central Oregons Best Local Musician in 2005. KC even received a standing ovation from thousands of fans when he opened for Randy Travis. Being a successful musician to me is about bringing good music to good people. Its a great feeling to whip a packed house into a frenzyeven if the maximum capacity is only 49. Some say that its the tremolo in his rich voice, some say its his charisma, while others insist its the wink of one of his big blue eyes that keep you coming back for more. But whatever it is, its working. KC Flynn is the real deal.
