

Mp3 Lamia Cross - Show Time

[DOWNLOAD HERE](#)

The music style of LAMIA CROSS is a fusion of Dance/Metal/J-Pop. Their songs are dancing with the soft and sensual voice of Lamia. The guitar riffs stay hot and heavy, while the melancholic melody of the keyboard gives each song somewhat of a Gothic touch 6 MP3 Songs in this album (27:43) ! Related styles: ELECTRONIC: Electronica, METAL/PUNK: Heavy Metal People who are interested in Rammstein Kylie Minogue should consider this download. Details: Formed in 2004, Lamia Cross is a French/Japanese featuring a Japanese singer, Lamia who lives in France since 1995 and her guitarists Fab and Druid. They play a music fused with the styles of the Electro/Metal and pop-rock. Their songs are dancing with the soft and sensual voice of Lamia and catchy melody of the keyboard while the guitar riffs stay hot and heavy. Lamia mix the languages in her lyrics (Japanese, English, French) and sometimes she sings in archaic Japanese. They had played at several Game Anime conventions in the whole of France, and also in Europe (Switzerland).
