Dreamy, dreary, beautiful, lush, and minimal. 11 MP3 Songs POP: Folky Pop, ROCK: Noise Details: On their 8th Velvet Blue Music release LN pulls out all the stops. They are way beyond a cult favorite, and this being their last release ever makes it even more special. "These songs are so raw and rough that you can almost feel the pain that was spent crafting these 11 songs" - Smother Magazine "Any fan of Red House Painters, Nick Drake, Nick Cave, Clem Snide or any other folksy-indie rock should look into LN, it's completely worth the time, effort and cash" - Punkbands.com "LN has again stretched themselves musically, creating a work that is full, stripped down, emotional, sad, warm, cold, touching , and expertly produced" - Somewhere Cold Magazine.
