Written from the heart of the Holy Spirit.. 16 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Rap Details: This music I wrote is from the heart and spirit. I know I'm not perfect, and life is a constant struggle. It really is a war with the flesh and the spirit ,that we can't see. I know God has called me to do great things in his name. I have only been doing christain rap for about year, as well as rap itself. I have been on 4 radio stations, a compilation album, different guess appearances on other artist albums, and have been offered to perform at events, and also offered to join a major record label. God is amazing !!! , and this is only the begininng. I have put together this cd wize wordz , an underground release, to give people an idea of what I'm about , and what I stand for. I pray that u will journey with me on my mission and become a friend as well as a christain. May God bless u in all that u do. Much love O.G. RO
