Details: AFTERHELL Volume 2 Ollin Productions, in association with the Willamette Radio Workshop, opens a second gateway to the nightmare world once called Earth -- AFTERHELL. Afterhell Volume 2 contains three new audiodramas with a full cast...three new tales of dark comedy and bright red horror. Three unabridged modern audiodramas on one compact disc. "Dead Peasants" by Joseph Medina A local Shop-N-Mart receives an unexpected visitor from the home office. At the early morning pep talk for his workers, he delivers the usual motivational appeal for better sales numbers. But no one realizes that he will to do anything to hit those target numbers. Much too late, they discover that no price is too great. Now there's more than the heads on the chopping block. For the damned who serve the darker powers at their local Shop-N-Mart, only one question remains: Will anyone survive to clean up Aisle 5B? "Dying on Stage" by Brian Rust Three stand-up comics rapidly approach the Deep End in more ways than one. For JJ and Peaches, the Deep End is a familiar stop, a seedy comedy club where only the strong survive. This time a fresh-faced interloper has joined their tour. Now young Leroy has to learn the tricks of the trade, mainly by surviving them. If Peaches' and JJ's dysfunctional traps and routines weren't enough, Leroy becomes suspicious of this sleazy dive and its mysterious owner. "Sleepless Days" by Jamie Lawson Joseph Medina The Afterhell is taking its toll on one and all, even the self-appointed creatures of the night. A band of adolescent goth-punk wannabes turns on their own for sustenance. When Declan is appointed as the main course, he decides the whole scene has become a major buzzkill. Running for his heavily made-up life, he loses himself in an overgrown field of garlic. Inside this field lies an abandoned farmhouse that will

serve as a bloodthirsty battleground between the star-crossed living and the hapless undead. A new generation of audiodrama has begun...with a scream. Listen at your own peril. Intended for Mature Audiences.
