Comedy music but no one is laughing 19 MP3 Songs ELECTRONIC: Experimental, ROCK: Modern Rock
Details: O.N.K.A. (Our Next Krappy Album) has proven two very important things, first, that you CAN'T accomplish anything you put your mind to, and second we can't spell crappy. Will you like this album? Well that depends, do you like: poop, german shiza videos, dead celebrities, dick balls, schizophrenic bums, unreal tournament, strippers, anime, garbage, zombie killing, getting high at the dentist, and people with sars. You can expect only the best and worst of Orange Monkey.
