An eclectic tapestry of solo piano, keyboards and uniquely combined instruments with some vocals mixed in for your inner peace and balance. 15 MP3 Songs NEW AGE: New Age, NEW AGE: Healing Details: Music is life. Let it wash over you. Feel it in your soul. Experience its vibration for your greatest benefit. Let it help you remember who you are and where you came from. This music was brought forth with the intention of bringing love, peace, joy and healing to all who hear it. To explain Feel is a limited and incomplete exercise at best. Experience the music for yourself. You can preview all the songs, so go ahead and see what you think, see what you feel. Feel is a more varied album than Pete's previous CDs "Keys" and "Connected". The moods are more wide-ranging and the instrumentation is more involved on certain songs. The first part of the CD is more meditative, while the pace picks up at parts of the last half. It ends with a vocal track. Petes music is perfect for relaxing after a long day, for background music with dinner, for enhancing your meditation practice and for healing arts practitioners who are looking for music to help their clients return to balance. Feel is primarily an instrumental album, with some vocals sprinkled in to add to the musical experience.
