

## Mp3 Pete Vel - Moonburn

[DOWNLOAD HERE](#)

Home brewed electric guitar driven instrumental compositions in the style of jazz/rock 8 MP3 Songs in this album (25:13) ! Related styles: ELECTRONIC: Experimental, AVANT GARDE: Free Improvisation  
Details: Pete Vel was born Feb 18,1955 in Kingston, New York and started playing guitar at age 10.After moving to Utah and raising two boys he always kept dabbling in recording with tape recorders ect. Now with gusto he has embraced digital recording and is very active in music production and composition. Here on CD Baby for the first time ever is the music of Pete Vel,he plays all the instraments heard on the cd and there will be a newer cd ready soon for 2009. Thanks for listening....Peace and Love Pete
