Country, mixed with gospel with special tributes to my parents for all they have done for me. Spiritual moving very close to the heart. 6 MP3 Songs COUNTRY: Country Gospel, SPIRITUAL: Contemporary Gospel Show all album songs: Mother of Mine Songs Details: Born in a small town in Texas with a Pentecostal preacher for a grandfather I grew up with a strong country/gospel background and even though I love all genres of music my passion is that of what I was raised with. I have for the past five years been working really hard trying to get my music off the ground and thanks to the Las Vegas performance I did and my Famecast winnings in Austin I have made it this far! I have to thank my fans and most of all my friends and family. That is why my first album is dedicated to my Mom Dad, I have wrote original songs about them and us kids growing up in Buna Tx. The Lord has blessed me so much in my life the other songs had to be gospel. This album is very personal to me, every song on here has a special meaning to me. Music for me is how I express myself.
