Funk Rock with a R&B/acoustic twist 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: Singer/songwriter Ronii, who is described as, " A true mix master at what he does." Musically mentored by many influential figures in music, he doesn't hold back on this new CD. " I have so many influences both musical and non-musical, and anything that gives me that good feeling, I like," says a laidback Ronii. "I can'teven think of limiting myself musically, because that would hinder my growth as an artist and as a person. "Fairly new to the solo artist arena, Ronii's fusion of rock, funk, jazz, and r&b is very much his own. And his audience is just as diverse and excited about the direction he has taken music in. In a constant state of musical evolution, he plays every instrument on his recordings and writes his own music, occasionally featuring a guest artist. The energy in his live show is what makes him stand out as a musician, because he plays with some of the most talented musicians around. The new release "Lifted" will be available in stores soon, this release supports Ronii's position as a unique genre bending artist. "It really took me all this time to record, because I was searching for myself, my sound, and most importantly my message " the soft spoken artist says. "And now that I discovered what I like to do musically, I'm really blessed. Writing music is about exploring to me, discovering new ideas, new sounds, and that is what makes me want to keep going."
