## **DOWNLOAD HERE**

Serious chilled-out, downtempo lounge music, with inflections of bossa, jazz and world. 10 MP3 Songs ELECTRONIC: Down Tempo, EASY LISTENING: Lounge Details: Featuring nearly fifty minutes of chill-out/lounge tracks. "Lounge Meditations, Volume II" by the music design team Sonic Boutique is the much awaited follow-up release to the enthusiastically recieved "Lounge Meditations Vol I." Inspired from the very best of the global/jazz/lounge lexicon. Sonic Boutique have captured as well as originated a wonderfully transparent, vital and organic sound. The swatches of electronic beats, live drums, and essential Eastern percussions layers will groove and quench your soul. Traveling the globe of this collection you will discover the martini lounge bossa of "Mercer Street," the zen-like presence of "Monsoon Moon" and the ambient enticement of "Mixology". Slip this into your CD player, dim the lights, sip your favorite drink, chill with your friends and feel the waves slide over you.
