Spike has spent many years playing clubs, concerts, churches, and festivals, displaying an unusual blend of soul, blues, rock, country, and gospel, that culminate in this exciting CD. Spike spent a decade in Nashville as a professional staff songwriter, penning hits for a variety of artists as well as himself. During that time, he crossed paths with some of music's greatest musicians. Producing his own sessions as a songwriter and an artist, and working with world class engineers, he combined these attributes into a powerful collection of songs that together make up "Soul Shadows". The musicians featured on this CD come from Nashville's "A" list of studio players. This CD is truly a diamond in the rough! Spike is currently on tour with his smokin' band "Earthquake", in support of the release of "Soul Shadows". For more info on Spike Blake Earthquake, visit their web site at; spikeblake.com
