It's best described as thumping substantive sonic rhythms that aptly and completely encapsulates the urban situation. [infinitesoulmusic.com](http://infinitesoulmusic.com) 11 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: East Coast Details: Sunz of Soul is a pure, hip-hop group, a creative brand of hip-hop music and an authentic hip-hop sound that embodies the spirit of the quiet storm that will be known years from now as the hip-hop renaissance period. The group consists of Black Mamba and Jewels. Both members are D.C. area natives and are interchangeable parts that work in unison to keep their brand of hip-hop innovative and edgy while keeping samples tantalizingly ambiguous to the naked ear. The group has been compared to Roots, Slum Village, and A Tribe Called Quest. Like those artists, creativity and artistic integrity are staples of the Sunz. Their work ethic and craftsmanship are second to none.
