

Mp3 The Furnace - Beyond What's Become

[DOWNLOAD HERE](#)

Heavy, crushing guitar combined with strong, powerful vocals interlaced with structured, well written songs that get to the point without the fat. Heavy grooves to acoustic melodies, plus a killer cover of Flock of Seagulls "I Ran". 12 MP3 Songs ROCK: Hard Rock, METAL: Heavy Metal Details: This unique collection of individuals is the most promising music coming from Phoenix, Arizona, the newest and fastest growing music scene in the States. Hot off of winning the award for Best Hard Rock/Metal Act of 2002, presented by Dreams to Reality Awards Show, THE FURNACE released their highly anticipated 12 song enhanced CD "Beyond What's Become" in December 2002. Featuring 11 original compositions, a killer cover of Flock of Seagulls "I Ran" and a full length music video included on the disc, it has already been selling at a tremendous pace. Twin guitar action provides a gut-wrenching, wall of guitars, vocals ranging from hooky melodies to precision power backed by a thunderous rhythm section, this disc has everything for a modern listener sweeping the emotions from touching the deepest part of the soul to throwing your fist into the air. Currently they are being featured on local radio 98 KUPD and are branching out to surrounding cities and states. Meet the next big thing!
