Combining some of the world's most appreciated genres, The Hypercubes is a hybrid combining The Chems + Massive Attack + Kruder Dorfmeister + Orbital into one whole. VIBGYOR, an album that won the BEST DANCE ALBUM, is a blend of Chill out, Ambient Trip-Hop. A CD with a distinctive and unique flavor. The Hypercubes' "VIBGYOR" explores the many facets of emotions that are experienced by all of us, ranging from extreme joy to deep sorrow VIBGYOR the album is a labour of love and devotion, brilliantly combining all of The Hypercubes' sonic obsessions, in a plethora of tracks irresistibly seductive to pop, club and chill folks. Succumb to the sleazy sound of THC. Each of the thirteen songs was a dream come true as they woo-ed KLites to a dance floor-friendly venture. The CD starts off with Poem to the World, an intro track thats inviting. Backed by a soundtrack thats downright hyper, What aUp to you is as instantly mind-bending a track, as anything you will hear all year. Then there's the pulsing, Rollercoaster which captures perfectly the uplifting, head-on non-stop crawl from one manic night to another while boasting a wobbly synth refrain with the bass-heavy WHOOP - with chunky funk stomped all over it, and just a smudge of Chicago house. There is a melody and a tune to suit your every mood, let "VIBGYOR" awaken your senses in a way you never thought possible. For more details visit [adlibworld.com](http://adlibworld.com)
