C'mon everybody get happy...These upbeat-catchy songs will make any family ride a fun one, again and again. 11 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: If you like music that makes you feel good....then we are proud to introduce you to one of our favorites. We had so much fun making this album. The weather was really warm while we where working on it, so we set up the recording studio out in the sunroom and watched the kids playing in the little pool and running through the sprinkler while we recorded the tracks. It was like the perfect, endless summer day.

Remember when we were younger and we would say "see you next year" at the end of the school year, and we really thought it was a year? That's how we remember it...long summer days full of sunshine, bright colored juice pops, sprinklers and friends. We tried hard to capture that feeling on this album (You can let us know if we did). After all that's our wish for you and your children that every day could be- A Sunshine Day. Warmest wishes from all of us here at the Sunshine Road. ..."Oh and of course a hello quack from Pogo the duck" ! The Sunshine Road is an award-winning, family based musical group. Together for a little over five years, the Sunshine Road believes in the power that music has on children's self-esteem, which is why they have devoted their creativity to developing music that is upbeat, interactive, and of course fun! The Sunshine Road's music is based on the notion that when children sing and dance they feel great about themselves and aren't afraid to dream, and with that dream they can create a future full of happiness for themselves and for the world. It starts with one little song. David Verdosci, is the lead singer and

songwriter for the Sunshine Road. Covering background vocals and percussion is his sister-in-law, Rhonda Mesenbourg. All of their children also get in on the fun. David's wife Paula helps to manage the group and Rhonda's husband Tim helps with the production. Their style is a mix of influences from Caribbean to 70's pop rock. It's a sound they refer as "A little bit of Sunshine and a little bit of rock and roll." "The Sunshine Road sing-along show", premiered Monday mornings at 7:00 a.m. on The Family Channel/ PAX TV.
