

Mp3 Trenchcoat Manifesto - Which Moment

[DOWNLOAD HERE](#)

Poet Tom Adams and multimedia artist/musician Richard Hearn combine spoken word with audio samples and original music to spin tales culled from just beneath the surface of everyday life in their ongoing exploration of the human condition, and the American 12 MP3 Songs SPOKEN WORD: With Music, WORLD: World Fusion Details: Poet Tom Adams and multimedia artist/musician Richard Hearn combine spoken word and audio samples (both found and manufactured) with original music, digital art and video to spin tales culled from just beneath the surface of everyday life. Probing the abstract and sometimes bizarre depths of the human condition, they re-define the American Archetype, turning the media-inspired, information-saturation American dream on its head.
