

# MP3 Troy Beadles - The Best Of Troy D. Beadles

[DOWNLOAD HERE](#)

A mix of acoustic electric folk rock, southern rock country with a taste of the blues in an unplugged style coming from the birthplace of the king, elvis presley. (tupelo, ms. ) 18 MP3 Songs FOLK: Alternative Folk, ROCK: Southern Rock Details: Troy was born in Chicago. His family moved South to Memphis, TN with International Harvester in 1982. Troy was influenced heavily from the Rock, Soul, Jazz, Blues and Country of the South growing up. Troy spent many years in Memphis and Tupelo Mississippi where he currently resides. Troy has been writing songs, playing guitar and singing with bands, friends and family since 1989. Troy's music is an original collection of thoughts, passion and influence that is difficult to put a label on one genre. Troy is enjoying his new solo music these days after leaving the Hard Rock/Metal Scene at the turn of the Millennium. The Music out of the norm and everything is done all by Troy. The writing, the recording, the promotions and marketing. It's a unique style. Very different than your everyday mainstream but it's cool. It's a mix of an unplugged style coming straight out of the Birthplace of Elvis Presley. (Tupelo, MS.) Fun Fact! Troy is left handed and all of his music online is him playing all instruments right handed! Thank you all for your support! Please help spread the word.
